NAIRO-BAE® BANKRUPTCY BATTLE ROYALE

Official Rules Breakdown

Bankruptcy Battle Royale is a fast-paced Nairo-Bae® game mode where all players start from zero and race to build wealth through high-risk decisions, quick deals, and aggressive play. The first player to reach the target amount wins instantly.

GAME OBJECTIVE

Be the first player to reach K10,000. If time runs out, highest net worth wins

PLAYERS & TIME

- 3-6 players (best experience: 4-5)
- 20 minutes per game

GAME SETUP

- All players start with K0
- Shuffle all decks and choose turn order
- Winner Criteria (K10,000 or highest net worth)
- Elimination Limit (-K5,000 recommended)

GAMEPLAY RULES

- 30 seconds per turn (miss the target time = skip turn or -K500 penalty)
- Players can go into debt but anyone at -K5,000 is eliminated instantly
- All decisions are mandatory (no skipping or delaying e.g. Risk Roulette and Teleport Advance)
- Fast trading, deals, and alliances are allowed, risk taking is encouraged but trust is optional
